HELP NEEDED ON PLANT STALL AT OUR FETE!

I am looking for people to help at the plant stall. **No, you don't need to know anything about plants.** I will be available to answer any queries that I am able. Plants should all be labelled with name of plant. Prices will be easy as each table will have \$1, \$2, or \$3 plants on them & any extra-special plants will be priced. If you could help for one hour between 9am & 1pm that would be wonderful. Choose what time suits you. **Please see Heather Welch or phone me on 82704140.**

ST AIDAN'S FETE Our Australian Bush Fair is **ONLY 2 WEEKS AWAY! YIKES!! Saturday 20 October 9am-1.00pm.**

New items suitable for the Raffle would be welcome.** Thanks!
